

INFORMATION REPORTED ON THE VERTOGAS WEBSITE

Vertogas B.V. reports on its website the business data (company name and address data) of producers of renewable gas and traders in renewable gas certificates that are registered with it in order to encourage the production of renewable gas and trade in renewable gas certificates.

The business data are only reported if the producer or trader agree to this being done. Therefore, we are asking you to indicate below, by marking a cross on the appropriate circle, whether or not you want your business data to be reported on the Vertogas B.V. website.

- O No data to be reported on the Vertogas B.V. website
Please send this form back for our records. You do not need to sign it, simply enter your company name.

- O The undersigned party does not object to its company name and address data being reported on the Vertogas B.V. website
If you decide at any time that you no longer want your data to be reported, let us know in writing. We will then immediately stop reporting your data on the Vertogas B.V. website. Reporting will automatically be terminated/suspended when the Participation agreement is terminated/suspended.

Please provide below the data that you want to have reported on the website.
